Founded in 1957, Phillips Graphic Finishing LLC. is a full service trade binder and finisher located in Lancaster County, Pennsylvania. You won't find better service anywhere that delivers a quality product on the customer's timeline. Our quality can't be matched with any competitor, and our team is the best of the best. That means that after you experience us once, you'll keep coming back for more.

We operate a two-shift schedule with approximately 44 employees. Our goal is to provide the highest quality and fastest turnaround times available. We offer a wide range of services including foil stamping, embossing, perfect binding, saddle stitching, die cutting, gluing, folding, auto-inserting, wire-o and spiral binding and much more.
